WORKING PAPER

P# D005  
M# 095  
D# 900926  
T# 0745-0800  
S# 01

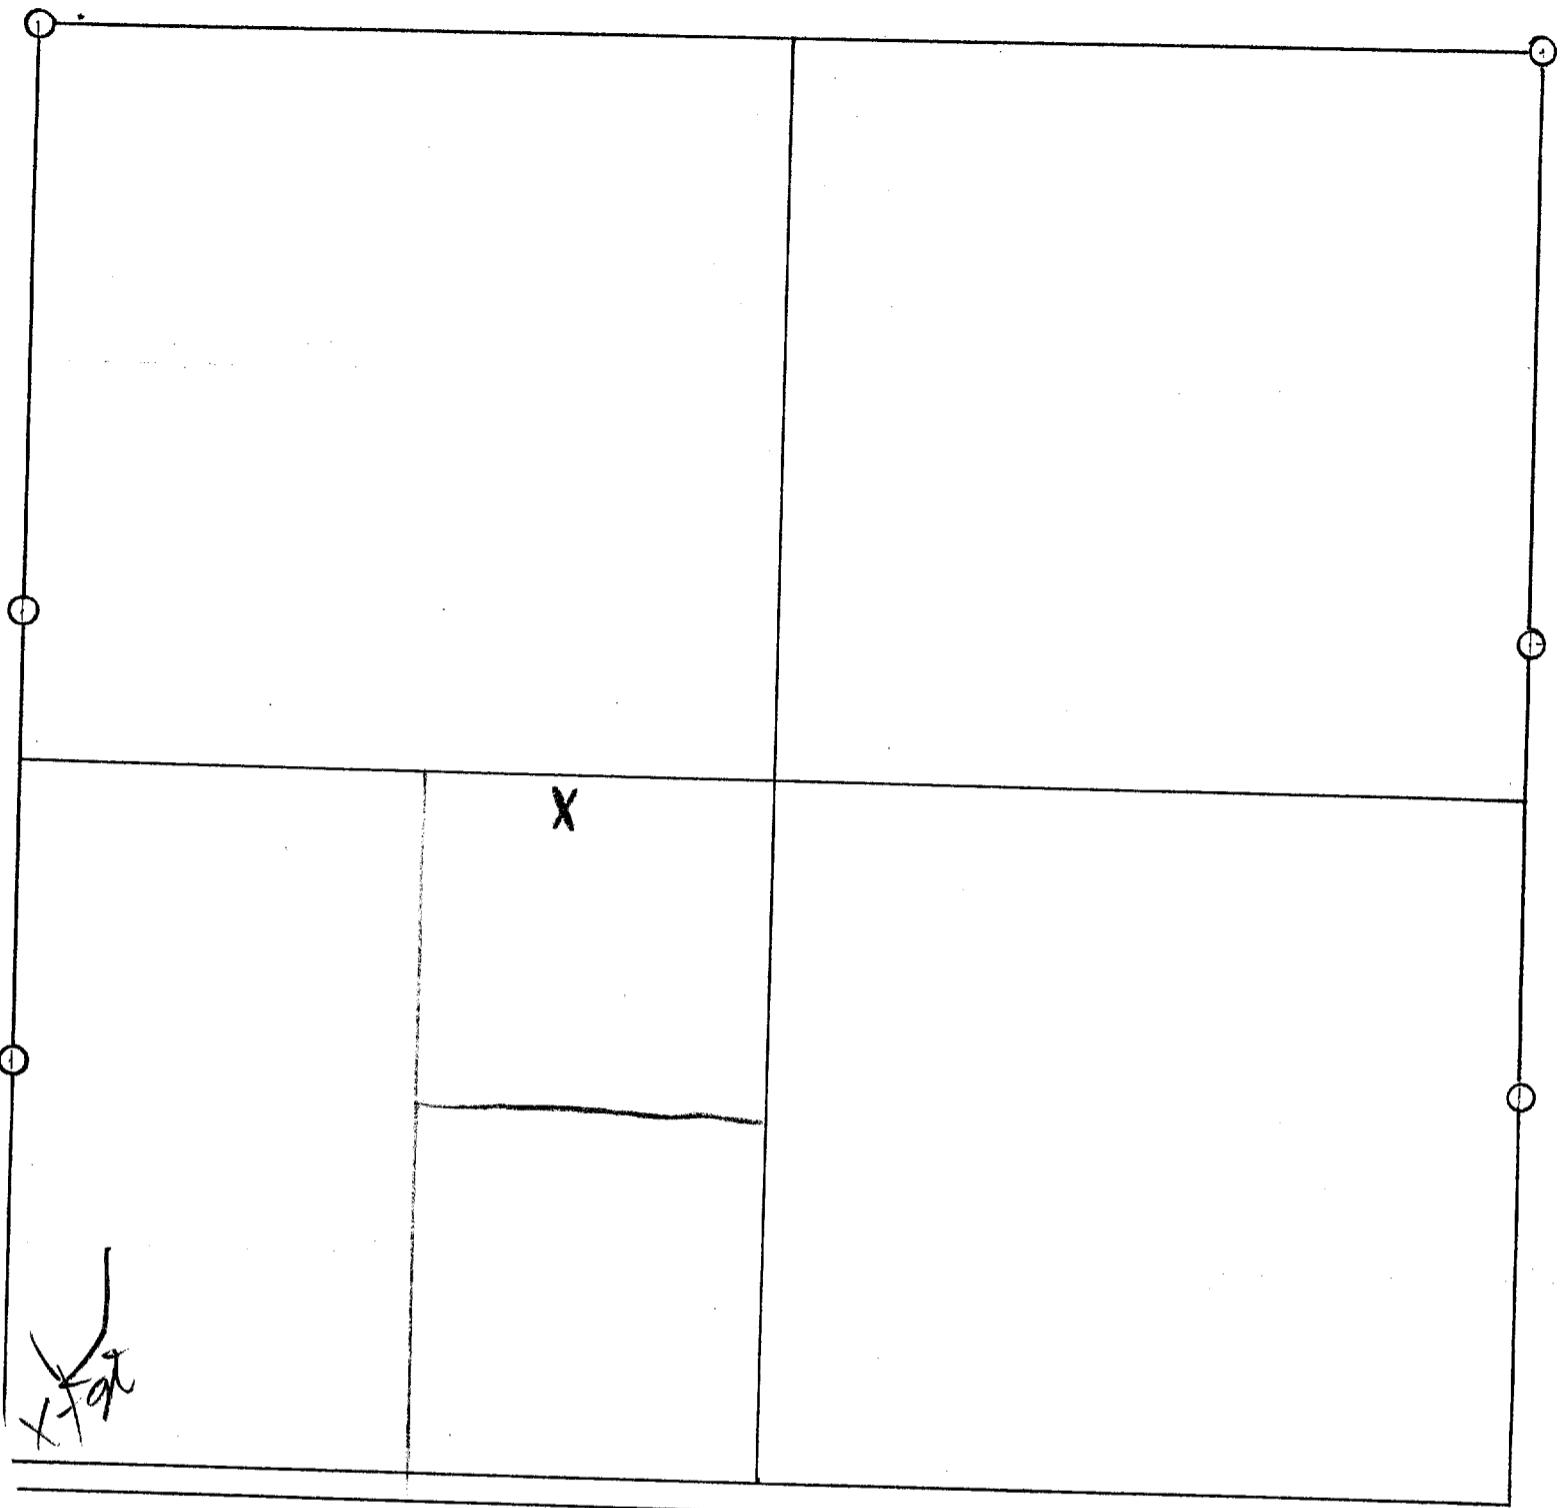

SUMMARY OF PROCEDURE

Again, I used the same method as before:

1. Cool down to focus 12.
2. Map down to correct quadrant.
3. Stand outside and confirm quadrant.
4. Walk in direction which feels 'right.'
5. Plant marker in center of location which feels 'right.'

HANDLE VIA SKEET CHANNELS ONLY
